The Turquoise Holiday Company

Honeymoon Gift List Guide

The Turquoise Holiday Company was one of the first to launch a honeymoon gift list concept in the UK and we are very proud to offer this unique and complimentary service to all our honeymoon couples. The idea is simple; many of us are getting married later in life, at a time when, generally speaking, we already possess many of the useful household items that filled the more traditional gift lists of days gone by. Who wants to buy a kettle when instead, you could buy your best friends a romantic sunset cruise in Zanzibar, a diving lesson in Bora Bora, cocktails on the beach in the Caribbean or a massage in the Maldives? Choice, flexibility and service make the Turquoise gift list stand out above the rest and I hope that this little guide explains just how fabulous the service is and how you can make the most of it.

# When

## **When should we set up our gift list?**

As soon as you have booked your dream honeymoon with Turquoise. We will do this automatically on your instruction.

## **When should we expect contributions?**

From the moment you send your invitations right up until your Wedding Day.

## **When do you refund the contributions and how?**

Whenever you need them! You can use the money towards the balance of your honeymoon, or towards the experiences you have on your list or you can simply choose to receive a refund.

## **When do you close my honeymoon gift list?**

We automatically close your list two weeks after your wedding, but this is flexible. If you would like to change the date just tell us.

# What

## **What types of experiences are available?**

This depends on your destination but generally speaking, these tend to include 'must-do' excursions, sunset cruises, romantic dinners, relaxing spa treatments and best of all- anything you want to create! We love your ideas, so you can only ask and we will find out if your dream experience is possible.

## **What happens if something goes wrong?**

We hope nothing will go wrong, but if it does, our dedicated team will sort it out as quickly as possible.

## **What does Turquoise get out of the service?**

Hopefully many happy clients! We are a service provider and the gift list is an added value service rather than a profit maker. Your gift list is covered by our booking conditions so you can be assured of peace of mind.

## **What happens to any cash contributions I receive after I have paid my balance?**

We will refund them back to you.

# How

## **How many people use the service?**

We have hundreds of happy clients every year and thousands of friends and relatives who all use the service.

## **How much is an average gift contribution?**

Obviously it can be anything from £1 upwards but, as a guideline, an average gift tends to range from between £50 - £100.

## **How can we personalise our gift list?**

In addition to the gift list experiences, you can also post a personal message to your friends and guests, and add photographs.

## **How can we make the experiences more affordable for our guests?**

You can break the total price of an experience into smaller, more affordable portions.

## **How do we know that our money is safe?**

All payments are handled by Turquoise and secured by SSL Certificate Authority. We possess an ATOL licence which protects all of our clients booked on air ticket based tailor-made holidays.

## **How can we activate a gift list with Turquoise?**

Once you have confirmed your honeymoon, you can ask your consultant to set up a gift list for you or alternatively you can email [april.mcnally@turquoiseholidays.co.uk](mailto:april.mcnally@turquoiseholidays.co.uk). Please allow a couple of days for the list to be activated.

## **How do we let our friends and relatives know about the gift list?**

We will provide you with a supply of complimentary gift list cards which you can send out with your invitations.

## **How do I change my Wedding Couple Login password?**

You just need to let our Gift List Co-Ordinator know what you would like your new password to be (it needs to be a minimum of 8 characters and can be any combination of numbers and/or letters) and we will update it for you.

## Happy Honeymooners Happy Turquoise

“From the first contact, to the helpful advice, to our tailor-made honeymoon (which was indeed a holiday of a lifetime) to the coordination of our Gift List... all absolutely fabulous”

“The Turquoise Gift List service is PERFECT for honeymooners - easy to use, easy to buy from and brilliantly personalised. We fully created our own list and broke the gifts down into varying costs so there was lots of choice for our wedding guests. Being able to access the list when we were away and thank people for specific honeymoon gifts was AMAZING. The gift list team dealt with issues fantastically, not that there were many at all. We had a paid excursion cancelled when we were away due to bad weather - Turquoise were just an email away and dealt with our refund ready for our return. I would so very highly recommend the company; the service was first class and wonderfully personal. The holiday itself was stunning and we felt so very well looked after - we didn't have to worry about a thing when we were away”

“Turquoise helped organise the most fantastic honeymoon. We had some initial ideas and from those we worked together to create an itinerary that was perfect - we wouldn't have changed thing. The online Gift List service was also fantastic”
